GRAMPY'S CHARITIES

RMHC
Southwest Florida

Ronald McDonald House Charities of SW Florida creates, finds and supports programs that directly improve the health and well-being of children and their families in Lee, Charlotte, Collier, Glades and Hendry counties.

We do this through our Ronald McDonald House, our Ronald McDonald Care Mobiles, our Scholarship and Grants programs and our Ronald McDonald Family Room located inside Golisano Children's Hospital of SW Florida where thousands of additional families are served.

We currently impact over 5,000 families annually and have been operating in Fort Myers since 1996.

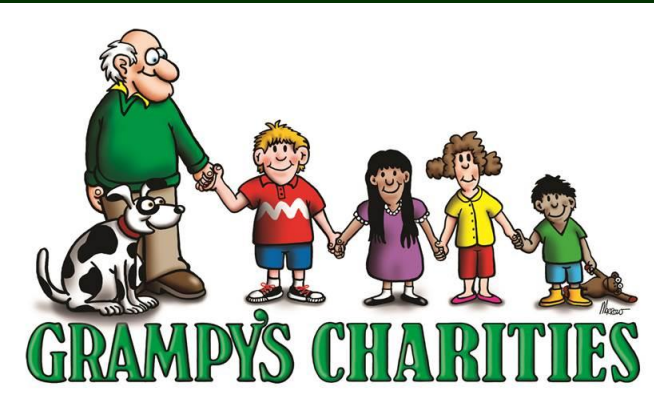

Mission:

The mission of Grampy's Charities is to raise funds and support for children's organizations. It is our hope that by partnering with comfort and research based charities we will be able to make a difference in the lives of kids who need us most.

About Grampy's:

Grampy's is a 100% volunteer organization with no paid staff. For a quarter century they have donated more than \$3,000,000 to children's charities.
